Tuition Rate Information (2018-2019)

Upon recommendation from the Fisher Catholic Finance Committee, the Diocese of Columbus Finance Office and the president of Fisher Catholic approved the following tuition schedules for the 2018-2019 school year. This will help to cover the increasing expenses at Fisher Catholic High School while providing your child a quality education.

It is important to keep in mind that the tuition revenue does not cover all of the educational costs. Additional income for school operating expenses comes from Fisher Catholic High School Foundation, Dinner Auction, Parish support, and charitable donations. Please note that the curriculum, course offerings, and technology continue to expand and enhanced without adding additional personnel.
